

SPONSORSHIP FORM

The Port City Soccer Club is a non-profit community organization created to teach soccer skills, sportsmanship and character to our local youth. We also have a lot of fun! Our families enjoy a unique setting and experience that is unequaled anywhere, as we stress the importance of families spending some quality time together, allowing the kids to be "kids" and enjoy the simple pleasures of playing youth soccer.

Our children benefit by playing at the beautiful Olsen Farm Soccer Fields located off of Murrayville Road, which serve as a true soccer oasis. These fields are also a non-profit organization, not relying on city and county funds or taxpayer dollars, but on private donations and good of community volunteerism!

By sponsoring a team, you contribute to making a positive impact on the lives of these children, creating a lasting memory for all of the families. Your donation allows our club to provide uniforms, balls, goals, field paint and other necessary equipment. Sponsorships also help to keep the registration fees affordable for our children - over 500 of them! Please keep an eye out for more sponsorship opportunities which will be available soon on our website.

We sincerely thank you - our staff, our volunteers, our children, and our families.
